Student Code of Conduct

Purpose

The Student Code of Conduct is the district's response to the requirements of Chapter 37 of the Texas Education Code.

The Code provides methods and options for managing students in the classroom and on school grounds, disciplining students, and preventing and intervening in student discipline problems.

The law requires the district to define misconduct that may—or must—result in a range of specific disciplinary consequences including removal from a regular classroom or campus, out-of-school suspension, placement in a disciplinary alternative education program (DAEP), placement in a juvenile justice alternative education program (JJAEP), or expulsion from school.

This Student Code of Conduct has been adopted by the San Benito Consolidated Independent School District Board of Trustees and developed with the advice of the district-level committee. This Code provides information to parents and students regarding standards of conduct, consequences of misconduct, and procedures for administering discipline. It remains in effect during summer school and at all school-related events and activities outside of the school year until an updated version adopted by the board becomes effective for the next school year.

In accordance with state law, the Code shall be posted at each school campus or shall be available for review at the office of the campus principal. Additionally, the Code shall be available at the office of the office of the campus behavior coordinator and posted on the district's website (www.sbcisd.net). Parents shall be notified of any conduct violation that may result in a student being suspended, placed in a DAEP or JJAEP, expelled, or taken into custody by a law enforcement officer under Chapter 37 of the Education Code.

Because the Student Code of Conduct is adopted by the district's board of trustees, it has the force of policy; therefore, in case of conflict between the Code and the student handbook, the Code shall prevail.

Please Note: The discipline of students with disabilities who are eligible for services under federal law (Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act of 1973) is subject to the provisions of those laws.

School District Authority and Jurisdiction

Campus Behavior Coordinator

As required by law, a person at each campus must be designated to serve as the campus behavior coordinator. The designated person may be the principal of the campus or any other campus administrator selected by the principal. The campus behavior coordinator is primarily responsible for maintaining student discipline. The district maintains a current list of the persons serving as a campus behavior coordinator in the student handbook or on the district's website at www.sbcisd.net (Policies)

School rules and the authority of the district to administer discipline apply whenever the interest of the district is involved, on or off school grounds, in conjunction with or independent of classes and school-sponsored activities.

The district has disciplinary authority over a student:

1. During the regular school day and while the student is going to and from school or a school-sponsored or school-related activity on district transportation;
2. During lunch periods in which a student is allowed to leave campus;
3. While the student is in attendance at any school-related activity, regardless of time or location;
4. For any school-related misconduct, regardless of time or location;
5. When retaliation against a school employee or volunteer occurs or is threatened, regardless of time or location;
6. When criminal mischief is committed on or off school property or at a school-related event;
7. For certain offenses committed within 300 feet of school property as measured from any point on the school's real property boundary line;
8. For certain offenses committed while on school property or while attending a school-sponsored or school-related activity of another district in Texas;
9. When the student commits a felony, as provided by Education Code 37.006 or 37.0081;
10. When a student makes a false alarm or report of bombing, fire, or other emergency involving a public school, regardless of time or location;
11. When a student makes a terroristic threat involving a public school, regardless of time or location; and
12. When the student is required to register as a sex offender.

The district has the right to search a vehicle driven to school by a student and parked on school property whenever there is reasonable cause to believe it contains articles or materials prohibited by the district.

The district has the right to search a student's locker or desk when there is reasonable cause to believe it contains articles or materials prohibited by the district.

Electronic equipment is subject to search in the event school administrators believe reasonable suspicion exists to support the search.

Reporting Crimes

The principal or campus behavior coordinator and other school administrators as appropriate shall report crimes as required by law and shall call law enforcement when an administrator suspects that a crime has been committed on campus.

“Parent” Defined

Throughout the Code of Conduct and related discipline policies, the term “parent” includes a parent, legal guardian, or other person having lawful control of the child.

Participating in Graduation Activities

The district has the right to limit a student's participation in graduation activities for violating the District's Code.

Participation might include a speaking role, as established by District policy and procedures.

Students eligible to give the opening and closing remarks at graduation shall be notified by the campus principal. Notwithstanding any other eligibility requirements, in order to be considered as an eligible student to give the opening or closing remarks, a student shall not have engaged in any misconduct in violation of the District's Code resulting in an out-of-school suspension, removal to a DAEP, or expulsion during the semester immediately preceding graduation.

The valedictorian and salutation may also have speaking roles at graduation. No student shall be eligible to have such a speaking role if he or she engaged in any misconduct in violation of the District's Code resulting in an out-of-school suspension, removal to DAEP, or expulsion during the semester immediately preceding graduation.

See DAEP- Restrictions During Placement on page 31, for information regarding a student assigned to DAEP at the time of graduation.

San Benito Consolidated Independent School District

Addendum to the Student Code of Conduct:

This Code is not a contract and can be amended by the District at any time. However, any change or amendment to the Code will be approved by the Board of Trustees.

Violations of the Code of Conduct are documented by teachers and other professional employees using campus discipline referral forms. Teachers and principals may impose campus or classroom rules in addition to those found in the Student Code of Conduct. These rules may be posted in classrooms or given to the student and may or may not also constitute violations of the Student Code of Conduct. Parents will not necessarily be informed of classroom infractions, but will be informed of any Code of Conduct violation.

Discipline Management Techniques

Discipline shall be designed to improve conduct and to encourage students to adhere to their responsibilities as members of the school community. Disciplinary action shall draw on the professional judgment of teachers and administrators and on a range of discipline management techniques, including restorative discipline practices. Discipline shall be correlated to the seriousness of the offense, the student's age and grade level, the frequency of misbehavior, the student's attitude, the effect of the misconduct on the school environment, and statutory requirements.

Because of these factors, discipline for a particular offense, including misconduct in a district vehicle owned or operated by the district, unless otherwise specified by law, may bring into consideration varying techniques and responses.

Since the district's primary responsibility in transporting students in district vehicles is to do so as safely as possible, the operator of the vehicle must focus on driving and not have his or her attention distracted by student misbehavior. Therefore, when appropriate disciplinary management techniques fail to improve student behavior or when specific misconduct warrants immediate removal, the principal may restrict or revoke a student's transportation privileges, in accordance with law.

Students with Disabilities

The discipline of students with disabilities is subject to applicable state and federal law in addition to the Student Code of Conduct. To the extent any conflict exists, state and/or federal law will prevail.

In accordance with the Education Code, a student who is enrolled in a special education program may not be disciplined for conduct meeting the definition of bullying, harassment, or making hit lists (see glossary) until an ARD committee meeting has been held to review the conduct.

In deciding whether to order suspension, DAEP placement, or expulsion, the district will take into consideration a disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct.

Techniques

The following discipline management techniques may be used, alone, in combination, or as part of progressive interventions for behavior prohibited by the Student Code of Conduct or campus or classroom rules:

- Verbal or written correction
- Cooling-off time or "time-out" in a setting separate from other students that is not locked and from which the exit is not physically blocked by furniture, a closed door held shut from the outside, or another inanimate object
- Seating changes within the classroom or vehicles owned or operated by the district.
- Temporary confiscation of items that disrupt the educational process
- Rewards or demerits

- Behavioral contracts
- Counseling by teachers, school counselors, or administrative personnel
- Parent-Teacher Conferences
- Grade reductions as for cheating, plagiarism, and as otherwise permitted by policy
- Detention, including outside regular school hours. (See In-School Suspension section for further details.)
- Sending the student to the office or other assigned area, or to in-school suspension
- In-School Suspension (See In-School Suspension section for further details.)
- Assigned school duties other than class tasks (cleaning or picking up litter).
- Withdrawal of privileges, such as participation in extracurricular activities, participation in graduation exercises, and eligibility for seeking and holding honorary offices, or membership in school-sponsored clubs or organizations
- Penalties identified in individual student organizations' extracurricular standards of behavior
- Restriction or revocation of district transportation privileges
- School-assessed and school-administered probation
- Corporal punishment, unless the student's parent or guardian has provided a signed statement prohibiting its use. (See Corporal punishment section for further details).
- Out-of-school suspension, as specified in the Out-of-school suspension section of this code. (This should not to exceed three school days, at one time)
- Formal removal from class by the teacher (SBCISD added)
- Placement in a DAEP (disciplinary alternative education program), as specified in DAEP section of this Code.
- Placement in DAEP and/or expulsion in an alternative educational setting, as specified in the Placement and/or Expulsion for Certain Serious offenses section of this Code
- Expulsion, as specified in the Expulsion section of this Code
- Referral to outside agency and/or legal authority for criminal prosecution in addition to disciplinary measures imposed by the District
- Other strategies and consequences as determined by school officials

Campus Disciplinary Methods

Physical Restraint

In unusual circumstances, it may be necessary for a district employee to use force, but not deadly force, to physically restrain a student in order to protect the student or any other person from physical injury, to obtain possession of a weapon or other dangerous object, to protect property from serious damage, to remove a student who is refusing to comply with a legitimate directive from a school employee from a specific location in order to restore order or to impose disciplinary measures, or to restrain an irrational student.

Corporal Punishment

Corporal punishment has been approved by the San Benito CISD Board of Trustees as an appropriate disciplinary consequence for Code of Conduct violations.

Corporal punishment may be used, unless the student's parent or guardian has provided a signed statement prohibiting its use.

Are there any guidelines for administering corporal punishment?

Corporal punishment is limited to spanking or paddling the student and will be administered only in accordance with the following guidelines:

1. Corporal punishment shall be administered only after less stringent disciplinary measures have been attempted.
2. The student shall be told the reason corporal punishment is being administered.
3. Corporal punishment shall be administered only by the principal and/or assistant principal.
4. The instrument to be used in administering corporal punishment shall be approved by the principal or a designee.
5. When corporal punishment is administered, it shall be done in the presence of one other District professional employee and shall take place in a designated place out of view of other students.

In-School Suspension (ISS)

For minor infractions of the Student Code of Conduct or campus or classroom rules, administrators may assign a student to one or more days of campus ISS where, under the supervision of a teacher assistant/certified teacher, students will complete assignments given to them by their regular teachers.

Detention

For minor infractions of the Student Code of Conduct or campus or classroom rules, teachers or administrators may detain students after school hours on one or more days as provided by the discipline management program and/or Student Code of Conduct. Before being assigned to detention, a student shall be informed of the behavior that allegedly constitutes the violation and shall be given an opportunity to explain his or her version of the incident. The period of time for which a student is assigned to detention shall be used for educational purposes.

Notification

The campus behavior coordinator shall promptly notify a student's parent by phone or in person of any violation that may result in in-school or out-of-school suspension, placement in a DAEP, placement in a JJAEP, or expulsion. The campus behavior coordinator shall also notify a student's parent if the student is taken into custody by a law enforcement officer under the disciplinary provisions of the Education Code. A good faith effort shall be made on the day the action was taken to provide to the student for delivery to the student's parent written notification of the disciplinary action. If the parent has not been reached by telephone or in person by 5:00 p.m. of the first business day after the day the disciplinary action was taken, the campus behavior coordinator shall send written notification by U.S. Mail. If the campus behavior coordinator is not able to provide notice to the parent, the principal or designee shall provide the notice.

Before the principal or appropriate administrator assigns a student under 18 to detention outside regular school hours, notice shall be given to the student's parent to inform him or her of the reason for the detention and permit arrangements for necessary transportation.

Students that are assigned to a DAEP placement at either Joe Callendret Postive Redirection Center Site Level II, Site Level III or Cameron County Juvenile Justice Alternative Education Program [JJAEP] must report and attend daily to be in compliance with the Texas state compulsory attendance laws.

Appeals

Questions from parents regarding disciplinary should be addressed to the teacher or campus administration, or campus behavior coordinator, as appropriate. Appeals or complaints regarding the use of specific discipline management techniques should be addressed in accordance with policy FNG (local). A copy of the policy may be obtained from the principal's office, the campus behavior coordinator's office, or the central administration office or through Policy on Line at the following address: (www.sbcisd.net)

Consequences shall not be deferred pending the outcome of a grievance.

Removal from the School Bus

A bus driver may refer a student to the principal's office or the campus behavior coordinator's office to maintain effective discipline on the bus. The principal or campus behavior coordinator must employ additional discipline management techniques, as appropriate, which can include restricting or revoking a student's bus riding privileges.

Since the district's primary responsibility in transporting students in district vehicles is to do so as safely as possible, the operator of the vehicle must focus on driving and not have his or her attention distracted by student misbehavior. Therefore, when appropriate disciplinary management techniques fail to improve student behavior or when specific misconduct warrants immediate

removal, the principal or the campus behavior coordinator may restrict or revoke a student's transportation privileges, in accordance with law.

Removal from the Regular Educational Setting

In addition to other discipline management techniques, misconduct may result in removal from the regular educational setting in the form of a routine referral or a formal removal.

Routine Referral

A routine referral occurs when a teacher sends a student to the campus behavior coordinator's office as a discipline management technique. The campus behavior coordinator shall employ alternative discipline management techniques, including progressive interventions. A teacher or administrator **may** remove a student from class for a behavior that violates this Code to maintain effective discipline in the classroom.

Formal Removal

A teacher **may** also initiate a formal removal from class if:

1. The student's behavior has been documented by the teacher as repeatedly interfering with the teacher's ability to teach his or her class or with the student's classmates' ability to learn; or
2. The behavior is so unruly, disruptive, or abusive that the teacher cannot teach, and the students in the classroom cannot learn.

Within three school days of the formal removal, the campus behavior coordinator or appropriate administrator shall schedule a conference with the student's parent; the student; the teacher, in the case of removal by a teacher; and any other administrator.

At the conference, the campus behavior coordinator or appropriate administrator shall inform the student of the misconduct for which he or she is charged and the consequences. The student shall have an opportunity to give his or her version of the incident.

When a student is removed from the regular classroom by a teacher and a conference is pending, the campus behavior coordinator or other administrator may place the student in:

- Another appropriate classroom.
- In-school suspension.
- Out-of-school suspension.
- DAEP.

A teacher or administrator must remove a student from class if the student engages in behavior that under the Education Code requires or permits the student to be placed in a DAEP or expelled. When removing for those reasons, the procedures in the subsequent sections on DAEP or expulsion shall be followed.

Returning Student to Classroom

When a student has been formally removed from class by a teacher for conduct against the teacher containing the elements of assault, aggravated assault, sexual assault, aggravated sexual assault, murder, capital murder, or criminal attempt to commit murder or capital murder, the student may not be returned to the teacher's class without the teacher's consent.

When a student has been formally removed by a teacher for any other conduct, the student may be returned to the teacher's class without the teacher's consent, if the placement review committee determines that the teacher's class is the best or only alternative available.

Out-of-School Suspension

Misconduct

Students may be suspended for any behavior listed in the Code as a general conduct violation, DAEP offense, or expellable offense.

Process

State law allows a student to be suspended for no more than three school days per behavior violation, with no limit on the number of times a student may be suspended in a semester or school year.

Before being suspended a student shall have an informal conference with the campus behavior coordinator or appropriate administrator, who shall advise the student of the conduct of which he or she is accused. The student shall be given the opportunity to explain his or her version of the incident before the administrator's decision is made.

The number of days of a student's suspension shall be determined by the campus behavior coordinator, but shall not exceed three school days.

In deciding whether to order out-of-school suspension, the campus behavior coordinator shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct, and
3. The student's disciplinary history.

The appropriate administrator shall determine any restrictions on participation in school-sponsored or school-related extracurricular and co-curricular activities.

Disciplinary Alternative Education Program (DAEP) Placement

The DAEP shall be provided in a setting other than the student's regular classroom. An elementary school student may not be placed in a DAEP with a student who is not an elementary school student. For purposes of DAEP, elementary classification shall be kindergarten–grade 5 and secondary classification shall be grades 6-12.

Summer programs provided by the district shall serve students assigned to a DAEP separately from those students who are not assigned to the program.

A student who is expelled for an offense that otherwise would have resulted in a DAEP placement does not have to be placed in a DAEP in addition to the expulsion.

In deciding whether to place a student in a DAEP, regardless of whether the action is mandatory or discretionary, the campus behavior coordinator shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct, and
3. The student's disciplinary history.

DAEP DISCRETIONARY PLACEMENT: MISCONDUCT THAT MAY RESULT IN DAEP PLACEMENT

A student **may** be placed in a DAEP for behaviors prohibited in the General Conduct Violations section of this Code.

In deciding whether to order placement in DAEP, the district will take into consideration:

- self-defense (see glossary),
- intent or lack of intent at the time the student engaged in the conduct, and
- the student's disciplinary history.

Misconduct Identified in State Law

In accordance with state law, a student **may** be placed in a DAEP for any of the following offenses:

- Involvement in a public school fraternity, sorority, or secret society, including participating as a member or pledge, or soliciting another person to become a pledge or member of a public school fraternity, sorority, secret society, or gang. (See glossary.)
- Involvement in criminal street gang activity. (See glossary.)

- Criminal mischief, not punishable as a felony.

- Committing or assisting in a robbery, theft, or burglary
- Any misbehavior that gives school officials reasonable cause to believe that the conduct will substantially disrupt the school program or incite violence
- Any criminal mischief, including a felony.
- Bullying

In accordance with state law, a student **may** be placed in a DAEP if the superintendent or the superintendent's designee has reasonable belief (see glossary) that the student has engaged in conduct punishable as a felony, other than aggravated robbery or those listed as offenses involving injury to a person in a Title 5 (see glossary) of the Texas Penal Code, that occurs off school property and not at a school-sponsored or school-related event, if the student's presence in the regular classroom threatens the safety of other students or teachers or will be detrimental to the educational process.

The campus behavior coordinator **may**, but is not required to, place a student in a DAEP for off-campus conduct for which DAEP placement is required by state law if the administrator does not have knowledge of the conduct before the first anniversary of the date the conduct occurred.

DAEP MANDATORY PLACEMENT: MISCONDUCT THAT REQUIRES DAEP PLACEMENT

A student **must** place a student in DAEP if the student:

- Engages in conduct relating to a false alarm or report (including a bomb threat) or a terroristic threat involving a public school. (See glossary.)

(School-related felony drug offenses are addressed in the Expulsion section.) (See glossary for “under the influence.”)
 - Sells, gives, or delivers to another person an alcoholic beverage; commits a serious act or offense while under the influence of alcohol; or possesses, uses, or is under the influence of alcohol, if the conduct is not punishable as a felony offense. - Engages in conduct punishable as aggravated robbery or a felony listed under Title 5 (see glossary) of the Texas Penal Code when the conduct occurs off school property and not at a school-sponsored or school-related event and:
 1. The student receives deferred prosecution (see glossary),

NOTE: A student who is charged with an offense warranting expulsion will be suspended for three days and then placed in the DAEP pending the expulsion hearing. Education Code 37.006(a) (b)

Sexual Assault and Campus Assignments

If a student has been convicted of continuous sexual abuse of a young child or children or convicted of or placed on deferred adjudication for sexual assault or aggravated sexual assault against another student on the same campus, and if the victim or the victim's parent with the authority to act on behalf of the victim request that the board transfer the offending student to another campus, the offending student shall be transferred to another campus in the district. If there is no other campus in the district serving the grade level of the offending student, the offending student shall be transferred to a DAEP (PRC SITE II or SITE III).

Emergency Placement

In an emergency, the principal or the principal's designee may order the immediate placement of a student in a DAAEP (disciplinary alternative education program) for any reason for which placement in a DAEP may be made on a non-emergency basis.

For example, if the student's behavior is so unruly, disruptive, or abusive that it seriously interferes with school operations or activities.

At the time the student is placed in DAEP under this emergency provision, the student shall be informed of the reason for the placement, which must be one of the District's reasons for DAEP placement under this Code.

Process

Removals to a DAEP shall be made by the campus behavior coordinator.

Conference

When a student is removed from class for a DAEP offense, the campus behavior coordinator or appropriate administrator shall schedule a conference within three school days with the student's parent, the student, and the teacher, in the case of a teacher removal.

At the conference, the campus behavior coordinator or appropriate administrator shall inform the student, orally or in writing, of the reasons for the removal and shall give the student an explanation of the basis for the removal and an opportunity to respond to the reasons for the removal.

Following valid attempts to require attendance, the district may hold the conference and make a placement decision regardless of whether the student or the student's parents attend the conference.

Consideration of Mitigating Factors

In deciding whether to place a student in a DAEP, regardless of whether the action is mandatory or discretionary, the campus behavior coordinator shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct, and
3. The student's disciplinary history.

Placement Order

After the conference, if the student is placed in the DAEP, the campus behavior coordinator shall write a placement order. A copy of the DAEP placement order shall be sent to the student and the student's parent.

Not later than the second business day after the conference, the board's designee shall deliver to the juvenile court a copy of the placement order and all information required by Section 52.04 of the Family Code.

If the student is placed in the DAEP and the length of placement is inconsistent with the guidelines included in this Code, the placement order shall give notice of the inconsistency.

Coursework Notice

The parent or guardian of a student placed in DAEP shall be given written notice of the student's opportunity to complete a foundation curriculum course in which the student was enrolled at the time of removal and which is required for graduation, at no cost to the student. The notice shall include information regarding all methods available for completing the coursework.

Length of Placement

The duration of a student's placement in a DAEP shall be determined by the campus behavior coordinator.

The duration of a student's placement shall be determined on a case-by-case basis. DAEP placement shall be correlated to the seriousness of the offense, the student's age and grade level, the frequency of misconduct, the student's attitude, and statutory requirements.

The maximum period of DAEP placement shall be one calendar year except as provided below.

The district shall administer the required pre- and post-assessments for students assigned to DAEP for a period of 90 days or longer in accordance with established district administrative procedures for administering other diagnostic or benchmark assessments.

Exceeds One Year

Placement in a DAEP may exceed one year when a review by the district determines that:

1. The student is a threat to the safety of other students or to district employees, or
2. Extended placement is in the best interest of the student.

The statutory limitations on the length of a DAEP placement do not apply to a placement resulting from the board's decision to place a student who engaged in the sexual assault of another student so that the students are not assigned to the same campus.

Exceeds School Year

Students who commit offenses requiring placement in a DAEP at the end of one school year may be required to continue that placement at the start of the next school year to complete the assigned term of placement.

For placement in a DAEP to extend beyond the end of the school year, the campus behavior coordinator or the board designee must determine that:

1. The student's presence in the regular classroom or campus presents a danger of physical harm to the student or others, or
2. The student has engaged in serious or persistent misbehavior (see glossary) that violates the district's Code.

Exceeds 60 Days

For placement in a DAEP to extend beyond 60 days or the end of the next grading period, whichever is sooner, a student's parent shall be given notice and the opportunity to participate in a proceeding before the board or the board's designee.

Appeals

Questions from parents regarding disciplinary measures should be addressed to the campus administration.

Student or parent Appeals regarding a student's placement in a DAEP should be addressed in accordance with FNG (LOCAL). A copy of this policy may be obtained from the principal's office, the campus behavior coordinator's office, the central administration office, or through *Policy On Line* at the following address: (www.sbcisd.net).

Appeals, after the campus behavior coordinator's disciplinary decision for DAEP placement, shall begin at:

1. Level One – Campus Principal, then proceed to;
2. Level Two – SBCISD Disciplinary Hearing Committee Chairperson and Committee Members
 - a. Luis Gonzales, Jr., Chairperson
 - b. Theresa Servellon and Mary Alice Martinez, Committee Members
 - c. San Benito CISD Parental Involvement/Attendance Department Office
355 E. Stenger Street - San Benito, Texas 78586 - (956) 361-6310

Restrictions during Placement

State law prohibits a student placed in a DAEP for reasons specified in state law from attending or participating in school-sponsored or school-related extracurricular activities.

SCHOOL TRANSPORTATION: A student placed in a DAEP shall not be provided transportation unless he or she is a student with a disability who has transportation designated as a related service in the student's IEP.

GRADUATION: For seniors who are eligible to graduate and are assigned to a DAEP at the time of graduation, the placement in the program shall continue through graduation, and the student shall be allowed to participate in the graduation ceremony and related graduation activities.

Placement Review

A student placed in a DAEP shall be provided a review of his or her status, including academic status, by the campus behavior coordinator or the SBCISD Disciplinary Hearing Committee at intervals not to exceed 120 days. In the case of a high school student, the student's progress toward graduation and the student's graduation plan shall also be reviewed. At the review, the student or the student's parent shall be given the opportunity to present arguments for the student's return to the regular classroom or campus. The student may not be returned to the classroom of a teacher who removed the student without that teacher's consent.

Additional Misconduct

If during the term of placement in a DAEP the student engages in additional conduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be

conducted, and the campus behavior coordinator may enter an additional disciplinary order as a result of those proceedings.

Notice of Criminal Proceedings The office of the prosecuting attorney shall notify the district if a student was placed in a DAEP for certain offenses including any felony, unlawful restraint, indecent exposure, assault, deadly conduct, terroristic threats, organized crime, certain drug offenses, or possession of a weapon, and:

1. Prosecution of a student's case was refused for lack of prosecutorial merit or insufficient evidence and no formal proceedings, deferred adjudication (see glossary), or deferred prosecution will be initiated; or
2. The court or jury found a student not guilty, or made a finding that the student did not engage in delinquent conduct or conduct indicating a need for supervision, and the case was dismissed with prejudice.

If a student was placed in a DAEP for such conduct, on receiving the notice from the prosecutor, the superintendent or designee shall review the student's placement and schedule a review with the student's parent not later than the third day after the superintendent or designee receives notice from the prosecutor. The student may not be returned to the regular classroom pending the review.

After reviewing the notice and receiving information from the student's parent, the superintendent or designee may continue the student's placement if there is reason to believe that the presence of the student in the regular classroom threatens the safety of other students or teachers.

The student or the student's parent may appeal the superintendent's decision to the board. The student may not be returned to the regular classroom pending the appeal. In the case of an appeal, the board shall, at the next scheduled meeting, review the notice from the prosecutor and receive information from the student, the student's parent, and the superintendent or designee, and confirm or reverse the decision of the superintendent or designee. The board shall make a record of the proceedings.

If the board confirms the decision of the superintendent or designee, the student and the student's parent may appeal to the Commissioner of Education. The student may not be returned to the regular classroom pending the appeal.

Withdrawal During Process

When a student violates the district's Code in a way that requires or permits the student to be placed in a DAEP and the student withdraws from the district before a placement order is completed, the campus behavior coordinator may complete the proceedings and issue a placement order. If the student then reenrolls in the district during the same or a subsequent school year, the district may enforce the order at that time, less any period of the placement that has been served by the student during enrollment in another district. If the appropriate administrator or the board fails to issue a

placement order after the student withdraws, the next district in which the student enrolls may complete the proceedings and issue a placement order.

Newly Enrolled Students

The district shall continue the DAEP placement of a student who enrolls in the district and was assigned to a DAEP in an open-enrollment charter school or another district.

A newly enrolled student with a DAEP placement from a district in another state shall be placed as any other newly enrolled student if the behavior committed is a reason for DAEP placement in the receiving district.

If the student was placed in a DAEP by a school district in another state for a period that exceeds one year, this district, by state law, shall reduce the period of the placement so that the total placement does not exceed one year. After a review, however, the placement may be extended beyond a year if the district determines that the student is a threat to the safety of other students or employees or the extended placement is in the best interest of the student.

Emergency Placement Procedure

When an emergency placement occurs, the student shall be given oral notice of the reason for the action. Not later than the tenth day after the date of the placement, the student shall be given the appropriate conference required for assignment to a DAEP.

Placement and/or Expulsion for Certain Serious Offenses

This section includes two categories of serious offenses for which the Education Code provides unique procedures and specific consequences.

Registered Sex Offenders

Upon receiving notification in accordance with state law that a student is currently required to register as a sex offender, the administration must remove the student from the regular classroom and determine appropriate placement unless the court orders JJAEP placement.

If the student is under any form of court supervision, including probation, community supervision, or parole, the placement shall be in either DAEP or JJAEP for at least one semester.

If the student is not under any form of court supervision, the placement may be in DAEP or JJAEP for one semester or the placement may be in a regular classroom. The placement may not be in the regular classroom if the board or its designee determines that the student's presence:

1. Threatens the safety of other students or teachers,
2. Will be detrimental to the educational process, or
3. Is not in the best interests of the district's students.

Review Committee

At the end of the first semester of a student's placement in an alternative educational setting and before the beginning of each school year for which the student remains in an alternative placement, the district shall convene a committee, in accordance with state law, to review the student's placement. The committee shall recommend whether the student should return to the regular classroom or remain in the placement. Absent a special finding, the board or its designee must follow the committee's recommendation.

The placement review of a student with a disability who receives special education services must be made by the ARD committee.

Newly Enrolled Student

If a student enrolls in the district during a mandatory placement as a registered sex offender, the district may count any time already spent by the student in a placement or may require an additional semester in an alternative placement without conducting a review of the placement.

Appeal

A student or the student's parent may appeal the placement by requesting a conference between the board or its designee, the student, and the student's parent. The conference is limited to the factual question of whether the student is required to register as a sex offender. Any decision of the board or its designee under this section is final and may not be appealed.

Certain Felonies

Regardless of whether placement or expulsion is required or permitted by one of the reasons in the DAEP Placement or Expulsion sections, in accordance with Education Code 37.0081, a student may be expelled and placed in either DAEP or JJAEP if the board or the campus behavior coordinator makes certain findings and the following circumstances exist in relation to aggravated robbery or a felony offense under Title 5 (see glossary) of the Texas Penal Code. The student must:

- Have received deferred prosecution for conduct defined as aggravated robbery or a Title 5 felony offense;
- Have been found by a court or jury to have engaged in delinquent conduct for conduct defined as aggravated robbery or a Title 5 felony offense;
- Have been charged with engaging in conduct defined as aggravated robbery or a Title 5 felony offense;
- Have been referred to a juvenile court for allegedly engaging in delinquent conduct for conduct defined as aggravated robbery or a Title 5 felony offense; or
- Have received probation or deferred adjudication or have been arrested for, charged with, or convicted of aggravated robbery or a Title 5 felony offense.

The district may expel the student and order placement under these circumstances regardless of:

1. The date on which the student's conduct occurred,
2. The location at which the conduct occurred,
3. Whether the conduct occurred while the student was enrolled in the district, or
4. Whether the student has successfully completed any court disposition requirements imposed in connection with the conduct.

Hearing and Required Findings

The student must first have a hearing before the board or its designee, who must determine that in addition to the circumstances above that allow for the expulsion, the student's presence in the regular classroom:

1. Threatens the safety of other students or teachers,
2. Will be detrimental to the educational process, or
3. Is not in the best interest of the district's students.

Any decision of the board or the board's designee under this section is final and may not be appealed.

Length of Placement

The student is subject to the placement until:

1. The student graduates from high school,
2. The charges are dismissed or reduced to a misdemeanor offense, or
3. The student completes the term of the placement or is assigned to another program.

Newly Enrolled Students

A student who enrolls in the district before completing a placement under this section from another school district must complete the term of the placement.

Expulsion

In deciding whether to order expulsion, regardless of whether the action is mandatory or discretionary, the district shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct, and
3. The student's disciplinary history.

While in DAEP

A student **may** be expelled for engaging in serious offenses or persistent misbehavior (see glossary) that violates the district’s Code, while placed in a DAEP.

1. Deliberate violent behavior that poses a direct threat to the health or safety of others;
2. Extortion, meaning the gaining of money or other property by force or threat;

3. Conduct that constitutes coercion, as defined by Section 1.07, Penal Code; or

A student **must** be expelled under federal law for any of the following offenses that occur on school property or while attending a school-sponsored or school-related activity on or off school property:

Under Federal Law

- Bringing to school a firearm, as defined by federal law. “Firearm” under federal law includes:

 - A prohibited weapon, such as an explosive weapon, a machine gun, a short-barrel firearm, a firearm silencer, a switchblade knife, knuckles, armor-piercing ammunition, a chemical dispensing device, a zip gun, or a tire deflation device. (See glossary.)
2. Behaving in a manner that contains elements of the following offenses under the Texas Penal Code:
- Aggravated assault, sexual assault, or aggravated sexual assault.
 - Arson. (See glossary.)
 - Murder, capital murder, or criminal attempt to commit murder or capital murder.
 - Indecency with a child.

 - Behavior punishable as a **felony** that involves selling, giving, or delivering to another person, or possessing, using, or being under the influence of marijuana, a controlled substance, a dangerous drug, or alcohol; or committing a serious act or offense while under the influence of alcohol.
3. Engaging in retaliation against a school employee or volunteer combined with one of the above-listed mandatory expulsion offenses, with the exception of a federal firearm offense, on or off school property or at a school-related activity.

Under Age Ten

When a student under the age of ten engages in behavior that is expellable behavior, the student shall not be expelled, but shall be placed in a DAEP. A student under age six shall not be placed in a DAEP unless the student commits a federal firearm offense.

Emergency

In an emergency, a principal or the principal's designee **may** order the immediate expulsion of a student for any reason for which expulsion may be made on a non-emergency basis.

At the time of the emergency expulsion, the student shall be given oral notice of the reasons for the action, which must be a reason for which the student could be expelled on a non-emergency basis. Within ten (10) days after the date of the emergency expulsion, the student shall be given appropriate due process required for a student facing expulsion.

Process

If a student is believed to have committed an expellable offense, the campus behavior coordinator or other appropriate administrator shall schedule a hearing within a reasonable time. The student's parent shall be invited in writing to attend the hearing.

Until a hearing can be held, the campus behavior coordinator or other administrator may place the student in:

- Another appropriate classroom.
- In-school suspension.
- Out-of-school suspension.
- DAEP.

Procedures for Hearing Expulsion

Hearing

A student facing expulsion shall be given a hearing with appropriate due process. The student is entitled to:

1. Representation by the student's parent or another adult who can provide guidance to the student and who is not an employee of the district;
2. Right to a full and fair hearing before the Superintendent or a designee; and an opportunity to testify and to present evidence and witnesses in the student's defense, and
3. Opportunity to testify and to present evidence and witnesses in his or her defense; and
4. Opportunity to examine question the witnesses called by the district at the hearing.

After providing notice to the student and parent of the hearing, the district may hold the hearing regardless of whether the student or the student's parent attends.

The board of trustees delegates to the Superintendent or Disciplinary Hearing Chairman and Committee the authority to conduct hearings and expel students and:

1. Provide an opportunity to a full and fair hearing before the Superintendent or Disciplinary Hearing Committee; to testify and to present evidence and witnesses in the student's defense, and
2. At least three days prior to the expulsion hearing:
 - a. Provide a written notice of the reason(s) for expulsion and charges
 - b. Allow reasonable opportunity for preparation, including a written invitation to the student's parent or guardian to attend the expulsion hearing.

- c. The notice will also include the date, time, and location of the hearing and the names of adult witnesses who will present evidence at the hearing.

REPRESENTATIVE: At the hearing, the student is entitled to an adult representative or legal counsel who can provide guidance to the student and who is not an employee of the District. The District may hold the hearing regardless of whether the student, the student's parent or guardian, or another adult representing the student attends, provided the District makes a good-faith effort to inform the student and the student's parent or guardian of the time and place of the hearing.

EVIDENCE: In an expulsion hearing, the District may rely on hearsay evidence of school administrators who investigate disciplinary infractions. This means that the school administration may present evidence or statements taken from students without revealing the identity of the student. The decision will be based exclusively on the evidence presented at the hearing.

Board Review of Expulsion

After the due process hearing, the expelled student may request that the board review the expulsion decisions. The student or parent must submit a written request to the superintendent within seven (7) days after receipt of the written decision. The superintendent must provide the student or parent written notice of the date, time, and place of the meeting at which the board will review the decision.

The board shall review the record of the expulsion hearing in a closed meeting unless the parent requests in writing that the matter be held in an open meeting. The board may also hear a statement from the student or parent and from the board's designee.

The board shall hear statements made by the parties at the review and shall base its decision on evidence reflected in the record and any statements made by the parties at the review. The board shall make and communicate its decision orally at the conclusion of the presentation. Consequences shall not be deferred pending the outcome of the hearing.

Expulsion Order

Before ordering the expulsion, the Superintendent or the Disciplinary Hearing Committee shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct, and
3. The student's disciplinary history.

If the student is expelled, the Superintendent or the Disciplinary Hearing Committee shall deliver to the student and the student's parent a copy of the order expelling the student.

Not later than the second business day after the hearing, the Superintendent or Disciplinary Hearing Committee Chairman shall deliver to the juvenile court a copy of the expulsion order and the information required by Section 52.04 of the Family Code.

If the length of the expulsion is inconsistent with the guidelines included in the Student Code of Conduct, the expulsion order shall give notice of the inconsistency.

Length of Expulsion

The length of an expulsion shall be correlated to the seriousness of the offense, the student's age and grade level, the frequency of misbehavior, the student's attitude, and statutory requirements.

The duration of a student's expulsion shall be determined on a case-by-case basis. The maximum period of expulsion is one calendar year except as provided below.

An expulsion may not exceed one year unless, after review, the district determines that:

1. The student is a threat to the safety of other students or to district employees, or
2. Extended expulsion is in the best interest of the student.

State and federal law require a student to be expelled from the regular classroom for a period of at least one calendar year for bringing a firearm, as defined by federal law, to school. However, the superintendent may modify the length of the expulsion on a case-by-case basis.

Students who commit offenses that require expulsion at the end of one school year may be expelled into the next school year to complete the term of expulsion.

Withdrawal during Process

When a student has violated the district's Code in a way that requires or permits expulsion from the district and the student withdraws from the district before the expulsion hearing takes place, the district may conduct the hearing after sending written notice to the parent and student.

If the student then re-enrolls in the district during the same or subsequent school year, the district may enforce the expulsion order at that time, less any expulsion period that has been served by the student during enrollment in another district.

If the Superintendent or Disciplinary Hearing Committee fails to issue an expulsion order after the student withdraws, the next district in which the student enrolls may complete the proceedings.

EFFECT OF WITHDRAWAL: Withdrawal from school does not affect the District's authority to schedule and conduct a hearing on the conduct and enter an order of expulsion, regardless of whether the student or parent are present to participate. The order of expulsion will be included with the records transferred to the new school district, including another public school, a campus charter program, or an open-enrollment charter school, and that district will be empowered to exercise its authority to honor the expulsion. Furthermore, even if we do not complete the expulsion process and issue an expulsion order, we will send disciplinary records to the next

school, and that school has the authority to complete the expulsion process and issue an expulsion order.

Students who transfer out of this District to another public or private school, including students who withdraw from the District for the purpose of home schooling, and students who do not attend the Cameron County Juvenile Justice Alternative Education Program (JJAEP) for the duration of the placement for any reason (other than reasons that constitute an “excused absence” under District policy), will be required upon return to the District, to complete the number of days missed in the JJAEP program before being allowed to return to the regular campus, unless the student’s records indicate the student served the days of expulsion in another district.

Additional Misconduct

If during the expulsion, the student engages in additional conduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted, and Superintendent or the Disciplinary Hearing Committee may issue an additional disciplinary order as a result of those proceedings.

Restrictions during Expulsion

Expelled students are prohibited from being on school grounds or attending school-sponsored or school-related activities during the period of expulsion.

No district academic credit shall be earned for work missed during the period of expulsion unless the student is enrolled in a JJAEP Juvenile Justice Alternative Education Program or another district-approved program.

Expulsion for Graduating Seniors

When a student is expelled during the final semester of 12th grade, the district will not allow that student to participate in graduation ceremonies.

Newly Enrolled Students

The district shall continue the expulsion of any newly enrolled student expelled from another district or an open-enrollment charter school until the period of the expulsion is completed.

If a student transfers into this District from another school district or an open enrollment charter school in which the student was placed in the Cameron County Juvenile Justice Disciplinary Alternative Education Program, this District shall continue the term of expulsion at the JJAEP.

If a student expelled in another state enrolls in the district, the district may continue the expulsion under the terms of the expulsion order, may place the student in a DAEP for the period specified in the order, or may allow the student to attend regular classes if:

1. The out-of-state district provides the district with a copy of the expulsion order, and
2. The offense resulting in the expulsion is also an expellable offense in the district in which the student is enrolling.

If a student is expelled by a district in another state for a period that exceeds one year and the district continues the expulsion or places the student in a DAEP, the district shall reduce the period of the expulsion or DAEP placement so that the entire period does not exceed one year, unless after a review it is determined that:

1. The student is a threat to the safety of other students or district employees, or
2. Extended placement is in the best interest of the student

Emergency Expulsion Procedures

When an emergency expulsion occurs, the student shall be given verbal notice of the reason for the action. Within ten days after the date of the emergency expulsion, the student shall be given appropriate due process required for a student facing expulsion.

DAEP Placement of Expelled Students

The district may provide educational services to any expelled student in a DAEP; however, educational services in the DAEP must be provided if the student is less than ten years of age.

Summer School

Our summer school program is not part of the regular school year program. Students are required to attend summer school to re-take courses they did not pass in the regular school year, to receive intensive instruction in subject areas where they did not demonstrate mastery on the state assessment instruments, or to complete courses necessary for graduation that were incomplete because of the student's placement in DAEP.

During summer school, students are expected to abide by the rules of conduct that are in place during the school year. We will handle minor isolated violations of conduct expectations through parent conferences; however, students who commit serious offenses or who have persistent behavior problems while enrolled in summer school will be withdrawn from the program.

San Benito Consolidated Independent School District DAEP Placement – Joe Callendret Positive Redirection Center

What is DAEP?

1. Is a setting other than the student's in regular classroom;
2. Is located off a regular school campus;
3. Separates elementary school students assigned to DAEP from secondary school students assigned to DAEP;
4. Provides core academic courses in English language arts, mathematics, science, history, physical education, and self-discipline;
5. Provides services for students' educational and behavioral needs; and
6. Provides supervision and counseling.

Where is DAEP?

San Benito CISD's DAEP (disciplinary alternative education program) is located at the:

Joe Callendret Positive Redirection Center (PRC) – SITE II and SITE III
 305 Doherty St.
 San Benito, Texas 78586
 Phone: (956) 361-6275
 Website: <http://alt.sbcisd.net/>
 Principal: Ray Saldana, Jr.
 Email: rsaldana@sbcisid.net

Operational Hours:

- The Joe Callendret Positive Redirection Center (PRC) operates between the hours of 7:00 a.m. to 4:30 p.m. for both Site II and Site III students.
- The 21st Century Community Learning Centers Grant – EXCEL U After-School Program operates for PRC students from 4:30 – 7:00 p.m.

Transportation/Parent Drop Off/Pick-Up

- District transportation is not provided and parents are responsible for making sure students are transported to and from the PRC DAEP location on a timely manner.

Attendance/Truancy

- Assigned daily attendance is required for each student. Failure of to attend school, while at the PRC-DAEP, is a violation of Texas state compulsory attendance laws. Attendance/Truancy will be monitored and truancy prevention methods (TPM) will be implemented for all students not adhering to compulsory attendance.

What courses are taught at the DAEP?

- PRC SITE II – (DAEP placement of 10- 60 day) - The student’s home campus curriculum assignments will be recommended and provided by their regular campus teacher(s) and campus administration.
- PRC SITE III – (DAEP placement of 60 – or more days) PRC teachers and campus administration will recommend and provide all curriculum and instruction assignments for all SITE III students. This included all support instructional services.

Instruction in the DAEP will focus on English language arts, mathematics, science, history, physical education, and self-discipline. The District will provide an opportunity for students who have been placed in the DAEP to complete coursework necessary to fulfill high school graduation requirements before the beginning of the next school year, if the term of the student’s placement is such that the student is not able to continue enrollment in all his or her courses. The opportunity to complete coursework will be provided through any method available, which may include summer school, distance learning, or correspondence courses. The District will not assess any charge for the student to complete a course under this provision.

TERM OF PLACEMENT: Students are assigned to DAEP with a written disciplinary conference form that states a specific term of placement that is the number of school days that must be served. The length of all DAEP assignments is at the discretion of the administration including the, within the guidelines stated below.

- PRC SITE II - DAEP placement is for eleven to sixty (11-60) attended school days.
- PRC SITE III – DAEP placement is for sixty-one (61) or more attended school days.
- The length of the DAEP placement may also be adjusted by the Disciplinary Hearing Committee after the student and parents have requested and received a Student Due Process Hearing.

The administrator issuing the disciplinary conference form will use his or her best professional judgment, taking into account the factors considered in all disciplinary actions, in making a DAEP placement. In some circumstances, a placement term may be longer than one year if, after a review, the administrator determines that the student is a threat to the safety of other students or to employees or that an extended placement would be in the student’s best interest.

Ordinarily a DAEP assignment will not extend beyond the end of a school year. However, if the administrator making the placement determines:

1) that the student's presence in the regular classroom or at the student's regular campus poses a danger of physical harm to the student or another individual; or 2) the student has engaged in serious or persistent misbehavior that violates the District's Student Code of Conduct, then the assignment may be continued to the next school year.

The DAEP administrator may extend the original term of removal based on new violations that occur while the student is assigned to the DAEP, including violation of DAEP rules, by following the procedures for initial DAEP placement, i.e., a conference with student and parents.

The district shall administer the required pre- and post-assessments for the students assigned to DAEP for a period of 90 days or longer in accordance with established district administrative procedures for administering other diagnostic or benchmark assessments.

SCHOOL-RELATED ACTIVITIES: Students assigned to a DAEP may not participate in extracurricular and/or co-curricular activities at the district level and may not attend any functions at their home campus during the term of their assignment.

STUDENTS YOUNGER THAN TEN: Students younger than ten who commit an expellable offense will be placed in a disciplinary alternative education program for elementary age students.

STUDENTS YOUNGER THAN SIX: Students younger than six shall not be placed in a disciplinary alternative education program for any reason other than committing a federal firearm offense.

EFFECT OF WITHDRAWAL: Withdrawing a student from school does not affect the District's authority to schedule and conduct a conference on the conduct and enter an order of removal, regardless of whether the student or parent is present to participate. The order of removal will be included with the records sent to any transferring school, including another public school, a campus charter program, or an open-enrollment charter school, and that district or school will be empowered to exercise its authority to honor the removal. Furthermore, even if we do not complete the removal process and issue a removal order, we will send disciplinary records to the next school, and that school has the authority to complete the removal process and issue a removal order.

Students who transfer out of this District to another public or private school, including students who withdraw from this District for the purpose of home schooling, and students who do not attend San Benito CISD's disciplinary alternative education program for the duration of the placement for any reason (other than reasons which constitute an "excused absence" under District policy), will be required upon return to this District to complete the number of days missed in the disciplinary alternative education program before being allowed to return to the regular campus, unless their records indicate that the term of removal was served in another school district or charter school.

EFFECT OF TRANSFER INTO DISTRICT: If a student transfers into this District from another school district in which the student was placed in a disciplinary alternative education program, San Benito CISD may continue the DAEP placement under the terms of the order provided by the sending school district.

GRADUATING SENIORS IN THE DAEP: For seniors who are eligible to graduate and are assigned to a DAEP at the time of graduation, the placement in the program shall continue through graduation, and the student shall be allowed to participate in the graduation ceremony and related graduation activities. A student who is expelled for an offense that otherwise would have resulted in a DAEP placement does not have to be placed in a DAEP in addition to the expulsion.

CONDUCT UNRELATED TO SCHOOL - TITLE 5 OFFENSES:

A student **will** be removed from class and placed in a disciplinary alternative education program based on off-campus criminal conduct punishable as a felony under Title 5, Texas Penal Code. However, if more than a year passes from the date of the off-campus criminal offense to the time that a school administrator learns of the offense, the administrator is not required to place the student in the DAEP.

What are Title 5 offenses?

Title 5 offenses are crimes against the person, identified in Title 5 of the Texas Penal Code. Specifically, Title 5 offenses include: murder; capital murder; manslaughter; criminally negligent homicide; kidnapping; aggravated kidnapping; indecency with a child; sexual assault; aggravated assault; aggravated sexual assault; injury to a child, elderly individual, or disabled individual; abandoning or endangering a child; deadly conduct; terroristic threat; aiding a person to commit suicide; and tampering with a consumer product.

Education Code 37.006(c)

CONDUCT UNRELATED TO SCHOOL - NON-TITLE 5 OFFENSES:

A student **may** be removed from class and placed in a disciplinary alternative education program for off-campus criminal conduct punishable as a felony, other than offenses defined by Title 5, Texas Penal Code, if the administration determines that the student's continued presence in the regular classroom threatens the safety of other students or teachers or will be detrimental to the educational process. However, if more than a year passes from the date of the off-campus criminal offense to the time that a school administrator learns of the offense, the administrator is not required to place the student in the DAEP.

Education Code 37.006(d)

RELATIONSHIP OF CRIMINAL JUSTICE SYSTEM AND THE SCHOOL DISTRICT:

The school district may place a student in the DAEP regardless of any action or lack of action taken by the criminal justice system. However, in some circumstances, the district may re-assess the punishment based on information from law enforcement authorities.

Does a student have to be arrested or convicted of a felony offense before the District can place the student in a DAEP?

No. A student may be removed from class and placed in DAEP if the administration determines that the student committed an offense requiring DAEP assignment while he or she was under the school's jurisdiction. The district will send the required information about the removal to the juvenile authorities.

When the assignment is necessary because of CONDUCT UNRELATED TO SCHOOL, the removal is based on the administrator's reasonable belief that the student has committed a felony offense. If the out-of-school offense is a non-Title 5 felony, before the student is placed in the DAEP, the administration must also determine that the continued presence of the student in the regular classroom threatens the safety of other students or teachers or will be detrimental to the educational process.

In determining whether there is a reasonable belief that a student has engaged in conduct defined as a felony offense in the Penal Code, the administrator may consider all information available, including information furnished by law enforcement.

What options does the school have if the student is found guilty of a Title 5 felony offense?

The administration must place the student in DAEP if the conviction, deferred adjudication, or determination of delinquency occurs during the school year while the student is enrolled in a district school and the student is not otherwise confined under the authority of the criminal justice system. The administration also has the authority to place a student in DAEP, after a conference with the student and parent, if it determines that the student's presence in the regular classroom threatens the safety of other students or of district employees, is detrimental to the educational process, or is not in the best interest of the district's students.

The administration can order DAEP placement for a student who has received deferred adjudication or been determined delinquent based on a Title 5 felony regardless of the date of the conduct, where the offense occurred, whether the student was enrolled in the District at the time, or whether the student has successfully completed any court disposition requirements. The placement order in this circumstance can be for any period the administration considers necessary and is not limited to one year.

The decision regarding DAEP placement in this circumstance is final and may not be appealed.

What happens if the courts say the student did not commit the offense or the student is not prosecuted for other reasons?

If, after the placement, the administration receives notice from an appropriate law enforcement agency that the student was found not guilty of the felony offense and the case was dismissed with prejudice, or that the student was not prosecuted and no formal proceedings, deferred adjudication,

or deferred prosecution was initiated, the administration will review the student's placement in the DAEP. This review will occur regardless whether the offense occurred at school or a school-related activity or outside of school.

The student will remain in the DAEP pending the review, which will take place within three class days of the administration's receiving the notice. The parents or guardian will be provided an opportunity for input. However, if after the review the administration believes that the presence of the student in the regular classroom threatens the safety of other students or teachers, the administration may continue the student's placement in the DAEP.

If the student is not being prosecuted for the offense, but the school wants to continue the DAEP placement, what rights of appeal does the student have? The student or the parent or guardian may appeal the decision of the administration to continue the student's placement in the DAEP to the San Benito CISD Board of Trustees. The appeal will be heard at the next regularly scheduled board meeting, where the board will review the notice letter from law enforcement and receive information from the administration and the student or the student's parent or guardian. The decision of the Board of Trustees is appealable to the Commissioner of Education. The student remains in the DAEP pending all appeals. Education Code 37.006

JUVENILE COURT-ORDERED PLACEMENT IN DAEP:

The juvenile court may order a student to attend the district's DAEP as a condition of probation, regardless of whether the school district has a basis for imposing discipline on the student. When the juvenile court orders a student to attend the DAEP as a condition of probation, the district, after receiving a copy of the order, will immediately transfer the student to the DAEP for the period of time designated by the court. However, state law prohibits the juvenile court from ordering a student who has been expelled from the district to attend the DAEP.

OTHER COURT-ORDERED PLACEMENT IN DAEP:

When the district receives a copy of an order from a justice or municipal court indicating that a student must attend the DAEP as a condition of a term of probation under Code of Criminal Procedure 45.051, the principal or other administrator will hold a conference as described in Procedures for Removal to a DAEP and determine whether the student should be assigned to the DAEP or should remain in the regular school setting. The principal or other administrator will consider the nature of the misdemeanor offense resulting in the order in making this determination.

Procedures for Removal to DAEP

Will the student have a chance to dispute the allegations?

Before a student is placed in a disciplinary alternative education program, the campus behavior coordinator shall tell the student briefly why he or she is being removed to that program and explain that the student shall have an opportunity to give his or her version of events at a conference to be scheduled and held within three class days. In most circumstances, the student will be suspended pending the placement conference.

Will parents have an opportunity to provide input?

Within three class days after the date of the offense, campus behavior coordinator shall contact the parent by telephone or in writing to schedule and hold a conference with the student, the teacher who removed the student from class (if any), and the parents and will make efforts to ensure that all invited parties can attend. The administrator will attempt to hold the conference within that same three day period; in any event the conference will be held no more than five (5) class days after the student is removed to the DAEP.

What if the parent cannot attend the conference?

The District may proceed with the conference without the parents or student present, so long as the parents and student have been notified of the conference. Whether or not the parents or the student attend the conference, the student will receive oral or written notice at the conference from the administrator of the reason(s) for the removal and the offense the student is charged with violating. The student will have an opportunity at that time to explain or respond to the reasons for removal. The student and parents will receive a written notice no later than two days after the conference documenting the conference and stating the length of the removal to the DAEP, if applicable, and any conditions or other requirements related to the DAEP assignment. Likewise, a copy of the order (and any information required under Family Code 52.04) will be forwarded to the authorized officer of the juvenile court and the county in which the student resides.

What information will be provided to the juvenile authorities?

When a student is placed in the Cameron County Juvenile Justice Alternative Education Program (JJAEP) for a mandatory placement reason, a copy of the removal order, the child and parent's names and address, names and address of any witnesses, and a complete statement of the circumstances surrounding the conduct will be forwarded to the authorized officer of the juvenile court in the county in which the student resides.

DISTRICT – 120 Day Review of DAEP Status (SITE III)

What does a review consist of?

Both the discipline and the academic status of students assigned to the DAEP shall be reviewed at intervals not to exceed 120 calendar days, but in any event, at least every 120 calendar days.

Who attends?

At the review, the parents may make arguments for the student's return to the regular classroom. If the student is in high school and is to remain in the DAEP, the administration, together with the parents, will establish a plan designed to assist the student's progress toward meeting high school graduation requirements.

The District is not obligated to provide any course other than English language arts, math, science, history, physical education, and self-discipline to students assigned to the DAEP.

The District is not required to provide all of a student's courses necessary for graduation while the student is assigned to the DAEP, but must offer an opportunity for the student to complete courses before the beginning of the next school year without charge to the student.

The student may not be returned to the classroom of a teacher who removed the student without that teacher's consent.
