

2019 TI Leadership Summits

TI Leadership Summits provide insight into how we can work together to meet the changing needs of teachers and students. Topics range from STEM education to funding resources, technology implementation, improving instructional practices and more. As a participant, you will:

- Gain insight and inspiration from renowned national speakers in an intimate setting
- Hear from local educators on their experience in implementing TI technology in their schools
- Meet or reconnect with a select group of fellow administrators

#TIEduLeaders
